LETTER FROM SUPERINTENDENT OF SCHOOLS

Concord Community,

It is with immense pride that I share this annual report with you, reflecting on a year of remarkable achievements and new initiatives at CCS.

In August 2024, we were thrilled to open our new third-floor classroom addition. This new space provides our upper-school students with a modern, dynamic learning environment that signifies our commitment to providing state-of-the-art facilities for our growing student body.

Our Academic Support Center, under the direction of Angela Thaller, added additional support staff members and moved into an expanded space this year. Both of the moves helped to facilitate the needs of students across all grade levels.

Our innovative 5th and 6th Grade Academy is successfully fostering a nurturing and challenging environment for our younger students, which will assist in ensuring a smooth transition to 7th and 8th grades. Complementing this, the implementation of our House System has built stronger peer connections and a sense of belonging among 5th through 8th grade students and their families.

In February 2025, leadership announced the launch of our new homeschool umbrella program. This flexible option will commence in the 2025-2026 school year and will further expand educational opportunities for families, aligning with our vision for diverse and accessible learning pathways.

In May 2025, our school celebrated the graduation of 50 outstanding seniors who, through their hard work and talent, collectively earned an astounding \$5.5 million in scholarships. This extraordinary accomplishment is a testament to their dedication, the unwavering support of their families, and the exceptional instruction provided by CCS faculty and staff.

Thank you for your continued support as we strive to “Inspire students to follow Jesus” as they strive to reach their full potential.

Pressing on together,
Donald Snider

LETTER FROM PASTOR

Through Concord Christian School, Homeschool, Preschool, and KidzConnect, we are honored to partner with families in providing an exceptional education grounded in a biblical worldview. As ministries of First Baptist Concord, everything we do at CCS is shaped by our calling to carry out the Great Commission in our generation by inspiring people to follow Jesus. We've set a bold vision: to see 1% of our unchurched neighbors across the 865 area come to faith in Christ and become connected to a local church by 2030.

We believe strong families help build strong churches, and strong churches lead to stronger communities. The Kingdom Education offered through CCS is central to that mission—shaping students academically, spiritually, and personally.

Our dedicated faculty and staff work with excellence to create a Christ-centered environment where students can grow spiritually, excel academically, compete athletically, and thrive as individuals. We've seen how discipleship flourishes when the church, home, and school are united in purpose.

While Christian education may not be the path for every family, we're grateful to serve those who choose this journey. At CCS, we are committed to helping students grow into leaders who serve others, stand firm in their faith, and impact their world for the glory of God.

As pastor of First Baptist Concord, I'm excited about the future of Concord Christian School. As a father, I'm incredibly thankful for the way our teachers and staff invest in the lives of our children. And as a follower of Jesus, I'm proud of the faithful work being done to equip the next generation with the truth of God's Word.

PASTOR JOHN MARK
HARRISON

Looking forward,
Pastor John Mark Harrison

LETTER FROM SCHOOL BOARD CHAIR

Dear Concord Christian Families,

I greet you with joy and gratitude on behalf of the CCS Board of Directors. It is a privilege to partner with you as we advance Kingdom Education and continue to see the Lord move in great ways on behalf of our church and school. We are blessed with a dedicated faculty and staff who remain committed to nurturing not only academic excellence but, more importantly, our students' spiritual growth and maturity.

We embrace and continue to pursue our mission of "Inspiring students to follow Jesus by equipping them to serve, lead, and transform their world". As Chairman of the Board, I want to assure you that we are prayerfully and diligently working to support church and school's leadership, ensure wise stewardship of resources, and strategically grow to meet the needs of those the Lord entrusts us with.

We also give thanks and extend our heartfelt gratitude to our donors who are instrumental in helping us to advance our school's mission with excellence. Their generosity is invaluable and impactful in the lives of our students and staff.

We invite you to join us in prayer for the upcoming school year, and that it would be one marked by unity, growth, and the unmistakable presence of God in all that we do. May our students be inspired to pursue Jesus, love others well, and live boldly for Him.

Thank you for entrusting us with your children's education. It is an honor and privilege that we will never take for granted.

Sincerely,
Jennifer McKinnish Burton

ALUMNI SPOTLIGHT

SIERRA SPALDING, CLASS 2020

What is a favorite CCS memory?

I really enjoyed a lot of moments at CCS! Some of my top memories were going to the State championship for volleyball, being in Science Olympiad, Forensics class with Dr. Ham, and weekends with my friend group. One memory that has had a lasting impression on my life was our mission trip to Puerto Rico. Not only did it enable our school to establish a project that would lead to building a church years later, but it also instilled in me a servant leadership mentality.

How have you continued to see the Lord work in your life since high school?

These past four years were incredibly challenging as I was working towards getting accepted into dental school and dealing with the unknown, praying that I was following God's path for my life. I believe through the trials and tribulations I've faced, that I've found an even deeper faith in Him. He has shown me that depending on myself ends in hardship and isolation and to continue pursuing Him above all else.

What's new with you since high school graduation?

This past December, I graduated from the University of Tennessee, Knoxville, with a major in Marketing and a concentration in the Heath Integrated Business and Engineering program, along with a minor in pre-health and the Chancellors Honors Program. I was Valedictorian of my class and named the top graduate of the Haslam School of Business. I am incredibly grateful and acknowledge that I could not have achieved this without God's help every step of the way. This summer I am attending UTHSC dental school in Memphis. My hope and passion is to improve our healthcare system through accessibility and affordability.

How do you feel your time at Concord prepared you for your next chapter?

I believe Concord prepared me well both academically and spiritually. It also provided me with life-long friends who I am beyond thankful for. While I am a very different person than I was in high school, I believe some of the experiences that I had throughout that time have helped to shape me into the person I am today.

Biggest Impression/Impact

What made the biggest impression on me during my time at CCS was the relationships I built with faculty members. It did not matter if I was speaking to the receptionist, a teacher, or a principal, each faculty member made me feel incredibly cared for. I can think of many times where I felt comfortable enough to open up to various faculty members on a level I would not have felt comfortable speaking to even my best friends. During my senior year, there were dozens of faculty members praying for me and walking me through my college decision, which is something I will never forget. There is truly no place like CCS when it comes to your relationship with the staff and faculty.

**What I Enjoyed Most
About CCS**

The thing I loved most about attending CCS was the way you could walk down any hallway and always see a smiling face. Whether you were super close with them or not, the students and faculty at CCS never ceased to smile at you and ask you how your day was. There is no denying that a sense of care for each student runs deeply within the school and is a top priority. I will absolutely miss knowing that to my teachers, the only thing that truly mattered was not A's or B's, but knowing where I stood in my relationship with Christ.

Future Plans

“Next year, I will be swimming at the University of Evansville in southern Indiana where I will pursue a Bachelor’s Degree in Political Science and a Minor in Business. At some point, I hope to enter the political landscape and make a much needed, positive Kingdom impact at some level in our government.”

“I can not say enough good things about the 5th & 6th Academy. Mr. Madonna is doing an excellent job, and I love having this valuable stepping stone before upper middle school.”

"I loved being a part of the theatre program at Concord. I was surrounded by a community that shared my passions and gifts, and it was a safe space to creatively explore the many different aspects of theatre. The Lord used me to minister to audiences, classmates, and non-believers alike, bringing Him all the glory through our productions."

Emily Anderson, Class of 2025

"The Theater Arts program at CCS was more than a class about being a performer. It was a class about becoming a leader and more of an adult. Theater was God's way of teaching me how to say the right thing at the right time to those around me, how to step into a spotlight with conviction and boldness, and most of all it humbled me in a way that made me hungry to continue learning about and pursuing my passions."

Bauer Mynatt, Class of 2025

Theater Arts Achievements

ONE ACT SELECTED FOR THESCON

With only four students auditioning and three receiving All-State recognition, our program had one of the highest success rates in the region.

Spiritual Life Theme

For the 2025/2026 school year, our CCS spiritual theme is “Whatever Is,” inspired by Philippians 4:8. This verse encourages students to intentionally focus their minds on all that is true, honorable, just, pure, lovely, commendable, excellent, and worthy of praise. We understand that in today’s world, with its daily distractions and challenges, this can be incredibly difficult for young people. Our spiritual life team is fervently praying that God will do an amazing work, helping each student find peace and a clear focus on Him amidst the noise this upcoming year.

CCS Pastor

We were thrilled to welcome Jason Jennings as our new CCS Pastor this year. Jason is excited to invest spiritually in the lives of students and their families to inspire them to follow Jesus.

“I’m thrilled about my new role and can’t wait to further connect with and minister to the students, faculty, and parents of CCS.”

Beginning a homeschool umbrella is a part of CCS’s strategic initiatives for our school to provide as many families in the 865 area code with Kingdom Education.

Parents choose to homeschool their children for many different reasons, and we believe that Kingdom Education affords a unique opportunity to further partner with families in our area. Our umbrella school is

two-fold and includes a homeschool that is enrolling students for the first time for the 2025/26 school year and a future co-op. We are thrilled to provide this educational offering to students and families next year!

“I’m passionate about supporting families in their homeschooling journey, whether they need full flexibility or a hybrid approach, and my favorite part of the job is definitely the people. I have a heart for serving others, and this role gives me the opportunity to minister to families in so many ways, whether it’s offering encouragement, sharing Scripture, or simply listening when they need support.”
